MONTANA KAIMIN

STATE UNIVERSITY OF MONTANA, MISSOULA, MONTANA

FRIDAY, MAY 6, 1927

VOLUME XXVI. NUMBER 54.

A. S. U. M. FINAL VOTE EXCEEDS ALL RECORDS

LINE WILL BE BUSINESS DEAN

Is 1910 Graduate of Montana; Highly Recommended By Educators

Robert C. Line of Columbus has been appointed dean of the School of Business Administration at the State University of Montana. President C. H. Clapp, in a statement just given out, has said that he has long wanted Mr. Line associated with the University as have other institutions and feels that we are fortunate in securing the services of Mr. Line for this important position.

W. B. Hotchkiss, formerly dean of the schools of commerce at Northwestern and Minnesota and now dean of the graduate school of business at Stanford University, and Edwin C. Robbins, dean of business administration at the University of Oregon, have spoken very highly of his work.

Mr. Line was graduated from the State University in 1910 with the degree of bachelor of arts and went immediately to Harvard where he obtained his master's degree the next year. He then took another year of graduate work at Harvard toward his doctor's degree. In 1914 he took up work at the University of Freiburg, Germany, but was forced to return because of the war.

From 1912 to 1915 he was an instructor at Mount Holyoke college. For nine months in 1915 he was employed by the Merchants' association of New York as manager of their industrial bureau. During this time he lectured at the College of the City of New York.

On the death of his father he returned to Montana to operate the "Line Stores." In 1918 he went to Minnesota to do war work in connection with the Students' Army Training Corps. He then became an assistant professor at the University of Minnesota in 1919. Although urged to stay he returned to Montana. Since his return from the University of Minnesota he has operated the "Line Stores" and has been in considerable demand as an extension lecturer and speaker at college short courses and merchants' conventions.

Dorothy Peterkin Wins Short Story Contest

"One Came Back," a short story by Dorothy Marie Peterkin, was awarded first place in the annual Joyce memorial contest. "The Blind One" by John Hutchins placed second, and "The Homesteader" by Addison Howard received third place. The judging was close, there being only one point difference between first and second and third places. Eleven manuscripts were entered in this year's contest. The judges were members of the English and Journalism departments, Mrs. C. H. Clapp, Professor Bateman and French Ferguson of the Missoula.

The Annie Joyce memorial contest is held annually. Manuscripts may be submitted by and University student. The prize is the interest on \$200. Last year's prize was awarded to Elsie McDowell, for her poem, "Young Saplings." Miss Peterkin's story will appear in the next issue of the Frontier, to appear May 12.

Ingersoll Hearing Is Postponed to May 16

According to a message from Helena which President C. H. Clapp received yesterday, the hearing on the Ingersoll case will be held May 16. The case was to have been held before the district court there April 29 and was postponed on account of the disqualification of Judge A. J. Horsky, who was to have heard the case.

LAW CLASSES TO CONTINUE DURING INTERSCHOLASTIC

Students in the Law school will not take time off for the interscholastic track meet next week. Classes will meet regularly throughout the week, and the Law school will close June 3—a week earlier than the other schools on the campus.

SENIORS ENJOY SOCIAL FUNCTION

More Than Four-fifths of Class Attend Business and Social Meeting

Meeting for the last social function before graduation, 120 members of the class of 1927 enjoyed a business and social gathering at Corbin hall last Wednesday evening. This large turnout represented more than 80 percent of the class and President Malcolm Morrow was highly gratified with such a demonstration of senior interest.

Convening at 6:15 o'clock, the affair began with a buffet supper served in the main dining room. A short business meeting followed at which matters pertaining to graduation were fully discussed. Then George Sheppard, secretary of the Alumni association, addressed the group on opportunities for college graduates. Mr. Sheppard attempted to picture for the seniors something of what they will encounter after graduation. He briefly outlined the various fields most suitable for graduates from Montana and something of the relationships which these men and women should have with their school. After completing the business of the evening Sheridan's orchestra furnished music for dancing until 10 o'clock.

COMPLETE PLANS FOR PROMENADE

Final arrangements have been made for the Junior Prom which will be held tonight at Tokyo Gardens. The grand march will probably begin at about 9:20, and the coronation of the queen, whose identity is still a secret, will take place about the middle of the program. Sheridan's orchestra will furnish the music.

Transportation arrangements for prom-goers are now fully perfected. Cars will visit North and Corbin halls, leaving there at 8:50, and will make the rounds of the sorority houses and will stop at the High School candy shop at 9 o'clock to pick up couples who find that a convenient gathering place.

Chaperones who will be present are Dr. and Mrs. C. H. Clapp, Dean and Mrs. R. H. Jesse, Dean Harriet Sedman, Dean and Mrs. C. W. Leaphart, Dean and Mrs. C. E. Mollett, Dean and Mrs. T. C. Spaulding, Professor and Mrs. W. E. Madlock, and Professor and Mrs. F. C. Scheuch.

Flowers will not be in order, and freshmen are reminded not to wear tuxedos.

TWENTY-FIVE STUDENTS VOLUNTEER USE OF CARS

Members of Bear Paw, sophomore honorary organization, were placed in charge of the polls at the general ASUM election Wednesday.

Further plans to take care of the visitors during track meet were brought up. Students who plan on using their cars to meet the trains are urged to turn in their names to Art Burns. So far 25 names have been secured. Students who furnish cars will have their expenses paid and will also be excused from classes.

NEW ASUM OFFICERS WILL BANQUET TUESDAY

Newly elected ASUM officers will give a banquet for the retiring members next Tuesday at six o'clock at the Florence. Faculty advisers will also be present.

Regular meeting will be held after the banquet. Old officers will outline the work to the new officers. Helen Dahlberg is in charge of arrangements.

Error in Scholarship Report

Through an error Sigma Chi was omitted in the scholarship report which appeared in Tuesday's Kaimin. Their average was 17.87, ranking them fifth place.

Jane Freund and Margaret McLanahan were dinner guests at the Kappa house Wednesday evening.

Most Famous 'Five Hundred' Does Its Own Backpatting

Distinctive! That's us, the frosh who hope to graduate in '30. Don't believe it? We'll prove it.

To begin with, we were the largest freshman class to enroll at the beginning of the year—500 of us, full and strong—honor the 500! Isn't that a distinction?

We are the first class to have the honor of having a whole week devoted completely to us—more distinction.

Then, back in those fall days, as we were trying to figure out what it was all about, came that solemn warning, issued by the sophs into the newcomers—under pain of certain dire penalties we must not neglect to wear our insignia. We deliberated for many hours trying to devise a fitting answer to that terrible threat. It was our duty to answer these bellicose sophomores. What did we do? We penned a laborious, ingenious proclamation—and addressed it to ourselves! A slight error, of course, but nevertheless, we alone, of all the many freshman classes that have defiled our beautiful campus, bear this distinction. Why shouldn't we brag? And when it came to the rallies, who turned out in full numbers? The sophs? The juniors? The seniors? Don't make us laugh. It was the frosh!

We painted the "M" last fall—nothing

distinctive about that. But this spring, in painting the symbol, we couldn't help but show our distinction. For one thing, we obtained our water supply from the mine on the hillside—what other freshman class can claim that distinction? Also, to show our business-like methods, we adopted the slacker-list system used by the ASUM on Aber day—and there wasn't a single name to place on that list. No slackers among us!

We gave our dance on April Fool's day—very appropriate. It was an unusually distinctive dance. If you don't believe it, we have figures to prove it. We took in \$123.90—and lost \$45.90. Not so bad for frosh, you'll agree?

And last but not least, we are proud of our scholarship. We have just as many names on the honor list as any other class (we're not mentioning flunks). And our mighty orators from the upper classes were forced to go to ignoble defeat at the hands, or at the voice, rather, of a freshman. What more need be said?

O fellow freshmen, let us pat ourselves on our backs!

We deserve it. Besides, if we don't, no one else will.

And if we can win the tug-of-war, then we'll claim that, as a freshman class of distinction, we hold the world's heavyweight championship.

MACKENZIE HORES TO HAVE SENTINEL READY JUNE FIRST

Robert MacKenzie, the editor of the Sentinel, hopes to have the year book ready for distribution by June 1.

All engravings have been sent to the Buckbee Mears company. Editors have sent page, space, layout, and all the copy to the Great Falls Tribune today.

This year's Sentinel has 240 pages. One of the main features is the 16 lineoleum cuts. Four of these cuts depict the growth of the University buildings from the old Willard school to Corbin hall. The remaining lineoleum cuts exemplify the sections that they represent.

The theme of the book is the growth and development of the University since 1895.

In the faculty section are the photographs of the present members and those of the founders of the institution. The senior section has the pictures of all the presidents since the first class. Each fraternity and sorority has two pages containing the pictures of the members and the picture of their first house and the present house. The Athletic section has 35 pages. The 1927 Sentinel Calendar and feature sections are in the advertising section.

"Battalion Is Good" Says Major Waddill

"They're getting along pretty well," said Major Edmund C. Waddill, special inspecting officer of the Ninth corps area ROTC, in concluding his inspection of the Grizzly battalion last Wednesday. The major was here from San Francisco, which is Ninth corps area headquarters.

Included in the inspection were the band and all senior and junior cadet officers who were questioned on the automatic rifle, machine guns and mortars. The first aid squad had to demonstrate its ability in impromptu surgery. The whole battalion was inspected in company formation, on close order drill, the manual of arms and knowledge of rifles.

Major Waddill said that both officers and privates did very well on all questions. "The weapons are in good condition," he said, "and the battalion was good in everything except, perhaps, outside drill. It had a few wrinkles in it which I believe will be ironed out by the end of the year."

Take Government Exams

John Suchy, pharmacy instructor, and several graduate pharmacists have made application to take the national pharmacy examination. Twenty-five thousand jobs are now open in the United States ranging in salary from \$1,200 to \$6,000 a year. These vacancies are due to the reorganization and placing of prohibition and narcotics under the same head.

FOSTER TO LEAD DISCUSSION TODAY

Dr. Allyn K. Foster, who spoke Friday morning at a student convocation, will lead an open forum discussion in Main hall auditorium at 3 o'clock this afternoon. Student and faculty members are invited. Dr. Foster's subject will be "The Religion of Religion to Science."

Sunday morning he will speak at the Baptist church and in the evening he will talk at the union services to be held in the Presbyterian church.

Should any students care to confer with Dr. Foster, he can be interviewed by appointment in Mr. Young's office above the ASUM store. Dr. Foster has for a number of years been employed by the Baptist Board of Education with headquarters in New York.

LARGE CLASS VOTE RECORDED WEDNESDAY

Inaugurating a new system of class elections, approximately 600 students cast their votes last Wednesday for next year's class officers. This initial trial of ASUM and class election drew forth an unprecedented class vote.

Next year's seniors elected Milton Brown of Missoula, president; Margaret Shoup of Sioux City, Iowa, vice-president; Florence Montgomery, Kalspell, secretary; Alice Dodds, Helena, treasurer; and Barnes Adams of Thompson Falls, representative to Central Board.

The juniors elected John Rankin, Hardin, president; Harriet Johnston, Billings, vice-president; Billie Kester, Missoula, secretary; Emerson Elderkin, Butte, treasurer; and Thomas McCarthy, Anaconda, representative to Central Board.

Jimmy Gillan of Olinport was elected president of the class of '30; Jane Chapple, Billings, vice-president; Hazel Mumma, Missoula, secretary; Betty Briscoe, Missoula, treasurer; and Russell Smith, Billings, representative to Central Board.

JUDGES SELECTED FOR RIDER CONTEST TO BE HELD SOON

Judges selected to award the Rider Art prize are President Clapp, Dr. T. T. Rider and Mrs. Belle Bateman. As yet no definite date has been set for the judging. About 150 drawings are entered in the contest this year and this is the greatest number yet entered to compete for honors. All students taking elementary art are eligible, and may enter five drawings in the contest.

Montana Masquers Elect Officers for Next School Year

Members of the Montana Masquers elected officers for the coming year, and voted to membership 14 students at a general business meeting in the Little Theater Wednesday evening. Plans for the interscholastic play tournament and for a banquet to be held June 1 were also discussed.

The officers who will head the dramatic group next year are: President, John Schroeder, Helena; vice-president, Merley Cooney, Missoula, and secretary-treasurer, Ronald Miller, Missoula. Those elected to membership in the Masquers are: Rodney Zachary, Janice Johnson, Kalspell; Douglas Burns, Wolf Creek; Walter Nelson, Mary Farnsworth, Anaconda; Edward S. Wight, Merrill Poore, Helena; Myron Soelberg, Sioux City, Iowa; Robert Jolley, Glasgow; Cyril Van Duser, Lewistown; Dorothy Webster, Stevensville, and Claudine Christy, Dean Dillespie and Arthur Simerson, Missoula.

Carl Glick, play director of the Masquers, explained the general plan of the tournament, and appointed several committees to be in charge of the various departments. The 20 plays to be presented will be divided into four groups of five plays each.

While one group is playing in the Little Theater during Wednesday morning of track meet week, a second group will be produced in Main hall auditorium. In the afternoon, a similar system will be tried. The winning team out of each of the four groups will then be performed in the evening for final honors. Members of the Masquers who are not assigned particular work for the tournament will assist in showing the play contestants about the campus.

The dinner to be given June 1 will be formal for men and women. The committee in charge is composed of Evelyn Siderfin and Harold Reely.

CENTRAL BOARD SELECTS NEW BUSINESS MANAGER

Howard Varney was elected business manager for the 1928 Sentinel and Tommy Duncan was elected Kaimin business manager for next year at the last official meeting of the old Central Board Tuesday night. The newly elected officers will take charge at the next regular meeting.

Varney will begin work with Douglas Thomas, Sentinel editor, and Duncan will start immediately to co-operate with Bob MacKenzie, new Kaimin editor.

CANDIDATES SELECTED FOR CLARK SCHOLARSHIP

Candidates for the Clark scholarship were selected last night at a meeting of the Clark scholarship committee in the president's office at 7:30. Names of the candidates will not be published until a later date, according to President Clapp. The committee consists of President Clapp, R. H. Jesse, W. E. Schreiber, Dr. J. F. S. Marshall, Coach Stewart and H. L. Bickenbach.

NORA OSBORNE NAMED CONVENTION DELEGATE

Miss Nora Osborne, '29, has been selected as delegate from the local chapter of Kappa Epsilon Delta, women's national pharmacy sorority, to go to the national convention, to be held at Madison, Wisconsin. The local chapter has an enrollment of 25 members. Miss Florence W. Melchior, '25, a member of the local chapter, now of Spokane, is grand historian of the convention.

Sigma Delta Chi to Meet

Sigma Delta Chi is to hold a meeting Monday evening at which the officers for 1927-28 are to be elected. Important business will also be discussed.

THETA SIGMA PHI ENDS PUBLICITY PAMPHLET WORK

Theta Sigma Phi has finished its work on the publicity pamphlet financed by the Missoula Chamber of Commerce. The pamphlet contains information regarding the western Montana natural resources.

Prizes of five and ten dollars are to be given for the best cover illustration for the booklet. This offer is for students of the University only.

Ellen Erickson of Helena spent last week-end at her home.

"MIKE" THOMAS WINS OVER JAKE MILLER BY THREE VOTES

DEAN SEDMAN IS COMMITTEE HEAD

Will Entertain 100 High School Women During Interscholastic

Dean Harriet R. Sedman has been appointed head of the interscholastic committee in charge of the entertainment of high school women who will be in Missoula during the three days of track meet. One hundred women are expected to represent the high schools of the state. Declaration, debate and the short play contest will be open to women entries.

Tamans will meet all trains Monday, Tuesday and Wednesday to escort the arrivals to Dean Sedman, who will assign them to their rooms. Townspeople living near the campus have agreed to contribute rooms for the women who will be in Missoula. North and Corbin halls will also accommodate a part of them.

Betty Peterson has been assigned to work with Mrs. Sedman in entertaining the visitors. Chaperones will accompany the girls here.

DEBATES HERE WILL DECIDE STATE TITLE

District Champions to Contest Here for State Title During Track Meet

Four Montana high school debate teams will battle for the state championship here during interscholastic track meet. The schools that will be represented at the meet are: Dawson county high school, eastern champions; Fergus county high school, north central winners; Clyde Park, southern champions; and Libby or Butte, western delegates.

Libby and Butte are undecided as to where they will battle for the western Montana championship. It is probable that both teams will come to Missoula and stage their word battle before the other debates are held.

The final contests will start next Wednesday.

AWS PRESIDENT REPORTS CONVENTION OF APRIL 25 AT ILLINOIS UNIVERSITY

Marguerite Hughes, president of AWS, who returned April 25 from the National AWS conference at the University of Illinois at Urbana, reports Montana as having a very strong association in comparison with other universities. Fifty-four universities and colleges were represented by 150 girls.

The first day was devoted to registration and a tour of the campus. The second and third days were devoted to meetings. Four papers were read by Cornell, Leland Stanford, Brigham Young, and the University of Michigan representatives.

During the last meeting the national AWS constitution was revised to read that "the national conference shall meet every two years." The next meeting will be at the University of Oklahoma.

The advisability of preventing not only freshmen but upper classmen from having dates during the week was discussed. It was suggested that all unnecessary organizations be eliminated.

Miss Hughes says that she is well satisfied with Montana's organizations as compared with the other schools in the national organization.

Freshman week was given much discussion. It is a great success wherever it has been tried.

The last day of the conference a Mortar Board luncheon for all Mortar Board members present was given.

Total of 840 Votes Cast in Final Election; Largest in School History

Myles J. "Mike" Thomas was elected president of the ASUM last Wednesday over Jacob Miller by a margin of three votes in the largest election held in the history of the University. James Morrow was elected business manager over Edmund Fritz and Robert MacKenzie won over Althea Castle for Kaimin editor. Helen Dahlberg defeated Lillian Shaw for vice president and Elsie Blair was victorious over Ann Ferring for secretary. James Higgins will succeed "Spot" Sanford as Yell King, winning over Nelson Fritz. For trustee to the ASUM store Rodney Zachary won over Carl Tysell and Professor B. E. Thomas was unopposed as faculty trustee to the ASUM store.

Wednesday's election was the most successful in the history of the University. A total of 840 votes were cast which topped the Aber Day primaries by 32 votes. A novelty in the election which undoubtedly helped in its success were tags bearing the words "I have voted today. Have you?"

The following is a list of the candidates and votes received:

President	
Myles J. Thomas	411
Jacob Miller	408
Vice President	
Helen Dahlberg	424
Lillian Shaw	387
Business Manager	
James Morrow	576
Edmund Fritz	234
Secretary	
Elsie Blair	412
Ann Ferring	390
Kaimin Editor	
Robert MacKenzie	544
Althea Castle	268
Yell King	
James Higgins	453
Nelson Fritz	375
ASUM Store Trustee	
Rodney Zachary	442
Carl Tysell	369

Foresters Nominate Next Year Officers

Forestry club officers for next year were nominated Wednesday evening at a special meeting held in the Forestry school library. Election of officers will be held May 18.

H. H. "Rip" Van Winkle presided as president. Lanky Spaulding was in the field.

Following are the nominations: President, E. Ernst, A. Krofchek and F. Stant; vice-president, H. Dix and C. Rouse; secretary, Markham, C. Averill and K. Flock; treasurer, H. Dix, J. Emerson, A. Krofchek and D. Nelson.

Members who have not paid this year's dues will not be allowed to vote.

SEVEN ARE INITIATED INTO SIGMA ALPHA IOTA

Sigma Rho of Sigma Alpha Iota, national music fraternity, initiated seven last Saturday at 4 o'clock at the home of Professor and Mrs. A. H. Weisberg. 511 Beckwith avenue. Those initiated were: Nan Walsh, Mildred Stoick, Gladys Price, Missoula; Vivian Lewis, Crow Agency; Ernest Malvern, Billings; Margery Virginia Cowan, Big Elder; and Florence Merigold, Kalspell. After the initiation a dinner was given by Messdames Weisberg, Clapp and Smith at the home of Mrs. Smith, 701 Beckwith avenue.

Quadrans Vote to Entertain Juniors

At their usual monthly meeting last Thursday the Quadrans, senior women's society, voted to entertain the junior women at their next meeting the last Thursday in May.

The entertainment will be given in the Natural Science building. At this meeting the officers for the next year will be elected. Annabelle Desmond has been president for the past year.

Alice Lease, Annabelle Desmond and "Vail" Judge are motoring to Bozeman this week-end. The trip will be made in Miss Judge's car.

The Frosh Kaimin

JOURNALISTS in the Class of '30 present this issue of the *Kaimin* for your approval. It represents our first copy ever to go to press. We'll treasure it, perhaps you'll smile a bit at it. In time we'll laugh too. The next few years we'll help edit the *Kaimin* regularly, and if the experience which we gain now will help us in any way to put out a better student paper then, we're satisfied.

Knocking Versus Criticism

IT IS depressing to listen to individuals who are perpetually knocking everything with which they come in contact. There are knockers on every campus, yet they have never been known to do any good, and the campus would be better off without them.

When a student knocks his school he casts a reflection on his own judgment, for the school which he attends is his choice. Granted that there are conditions on the campus that are faulty, but even so, knocking doesn't help the situation one iota, so why do it?

The feeblest of mentalities can detect flaws in the greatest of men. A college education is not required to be able to "wise-crack."

It is human nature to voice opinion but that doesn't excuse the knocker. Creative, constructive criticism is beneficial. It is a student's duty to his school to endeavor to solve difficulties within his jurisdiction.

to suggest practical remedies. The Communication column offers a splendid chance of this.

It is the duty of every student to help maintain Montana spirit.

"Bull" Sessions

THEOPHRASTUS of Lesbos, who lived some 300 years B. C., is responsible for several pungent digs at the world in general. Persons of a satirical nature have insisted that he had college students in mind when he released this one: "Garrulity is the discoursing of much and ill-considered talk." It is without question a very clear and understandable definition of garrulity, but it is not necessarily applicable to college students only.

It is probably true that there is a great deal of "ill-considered talk" on the part of the average group of students. Before the student can arrive at any definite conclusion on whatever subject he or she may be interested in, there has to be a considerable amount of this type of discussion. Out of the froth of cheap cynicism and ribald wit that is characteristic of the sessions that meet for a free and wild discussion of life, liberty and the pursuit of happiness, there is a certain groping towards a tangible ideal. True, there are times when the ideal becomes somewhat blurred and the student, in a moment of temporary weakness, wonders if the time spent in college is going to clarify his vision to any greater extent.

Freshmen are perhaps more susceptible to the influences of this type of garrulity than any other group. They all have a very definite conception of their aim in life, and they accept the euphonious platitudes that the upper classmen offer, with a gullibility that is positively startling. It is when the rude awakening comes, that the freshmen will indulge in conversation that would have made the old Grecian gentian, already referred to, add a line or two to his comment.

The freshman wonders why it is necessary to have his ideals and standards destroyed, his own little world revolutionized and even his most perfect conception of college life torn down, to be rudely trampled underfoot through the process of changing from an underclassman to a junior or senior. These are trying days for yearlings for they know not which way to turn.

Where were the other 1,100 for the SOS last night?

Pan-Hellenic Talks Over Rushing Rules

Newly elected officers of Pan-Hellenic conducted their first meeting April 29. They are: President, Mary Kimball; vice-president, Patti Duncan; secretary, Margaret Johnson; and treasurer, Elizabeth McCoy.

Retiring officers are: President, Margaret Maddock; vice-president, Pauline Swartz; secretary, Mildred May; and treasurer, Anne Miller.

Rushing rules for next year were considered and a tentative program outlined. Second year initiation was discussed and a report was carried back to the different groups in order to discover the general attitude toward this question.

At a meeting held Wednesday, April 4, rushing rules for next year were further discussed. Leona Baumgartner, instructor in Biology and providence inspector for Pi Beta Phi, outlined for the girls rushing rules which are in force on other campuses.

Pan-Hellenic will meet the Wednesday following the Interscholastic track meet.

NEWMAN CLUB CHOOSES NEXT YEAR'S OFFICERS

More than 60 students and faculty members attended the Sunday morning meeting and breakfast of the Newman club at which time an election of officers was held and several well-known speakers talked to the organization.

Bob Tierman, Toledo, Ohio, was elected president of the Catholic association; Mary Brennan, Savage, vice-president; Catherine Leary, Butte, treasurer, and Merle Cooney, Missoula, secretary.

Mrs. C. H. Clapp, Mary Laux, head of the women's Physical Education department; E. F. A. Carey, assistant professor of mathematics, and Rev. A. J. Harrington, chaplain of the club, addressed the students, and Ted Hodges, president of the group, thanked the other officers and the club members for their co-operation during the past year.

Pi Mu Epsilon Meets

Pi Mu Epsilon, honorary mathematics fraternity, held its last regular meeting of this year in Mr. Carey's office. Robert Piper spoke on "Calculus of Finite Differences." At the business meeting it was decided to postpone election of officers until next year.

MISS POLLEY WRITES FROM SPANISH TOWN

Mrs. L. G. Arnoldson recently received a letter from Miss Mauda Polley, of the Foreign Language department, who has been spending a year's leave of absence in study at Madrid, Spain.

Miss Polley writes from Seville: "We have been travelling around Spain since the first of March. We have been having a glorious time and Andalusia is marvelous in the spring and Semana Santa (Holy Week) in Seville is at the height of its glory."

It is a rather curious coincidence that according to the above letter, Miss Polley and Mrs. Arnoldson will meet at Le Havre as the one embarks and the other lands from the same ship to return to America, in the ship, although neither knew the plans of the other in sailing.

LETTER RECEIVED FROM MISS BUCKHOUS, LIBRARIAN

During the past week, Miss Winnifred Feighner, in charge of the library, received a letter from Miss Gertrude Buckhous, who with Mrs. Theodore Brantly is touring Europe. While in Paris Miss Buckhous met Mr. and Mrs. Burley E. Miller, professor of history, and Mr. and Mrs. Robert C. Cardell, residents of Missoula. Miss Buckhous also visited Mr. and Mrs. Fred Stimpert in Paris, where Mr. Stimpert, a former professor in the Biology department of the University, is preparing for a doctor's degree.

According to the plans of Miss Buckhous, they will soon leave Paris to tour Italy.

Store Receives Senior Supplies

Senior caps and gowns have arrived at the ASTM store and seniors wishing them can obtain them there. Senior announcements will be put on sale May 15.

Letters have been sent out by the store to professors in the school, regarding books for summer quarter and next year, and the returned lists will be published for the students.

Geraldine Gray Recovering

Geraldine Gray, former secretary of the freshman class, is recovering rapidly from the long illness which followed her appendicitis operation. Mrs. Gray, who has been with her daughter the last few weeks, will take Geraldine to her home in Great Falls today.

SCHOOL GETS PHOTOS OF FATHER DE SMET

Are Thought to Be Only Remaining Likenesses of Pioneer

A photograph of Father DeSmet, Montana's earliest Catholic missionary, has been received by the School of Journalism. This photograph, together with another, was sent to Dean A. L. Stone by James C. O'Connor of Gorton, Conn. The second picture is to be retained for the Dean's personal collection.

Having read in "The Catholic World" a talk made by Dean Stone at Stevensville during the unveiling of a monument to Fathers Ravalli and DeSmet and having four photos belonging to the elder, O'Connor, who had been a close friend of Father DeSmet's, O'Connor conceived the idea of sending two of the pictures to the city which Father DeSmet helped found.

The pictures were taken in San Francisco during the Civil War, and are believed to be the only likenesses of the pioneer Jesuit in existence.

FOREST MENSURATION CLASS NOW IN FIELD

Fay Clark took the Forest Mensuration class to the A.C.M. camp Sunday. The class is spending a week in the field to gain more technical and practical experience.

The final examination in Forest Mensuration will be given in the field, and will conclude classes in Forest Mensuration for this year.

Those on the trip are: B. Adams, H. Anderson, P. Buschhoff, K. Davis, J. Emerson, N. Fritz, A. Kroehok, B. Lund, L. Matthews, E. Richards, C. Robertson and C. Spaulding.

HONORARY SENIORS WILL TAKE ORAL EXAM TODAY

Oral examinations will be given today at 2 o'clock in Simpkins hall, for the honorary seniors in the Business Administration department.

Jack Diamond, Bernice Evans and William Moore, who have passed written tests, are to take them. Otto McLean is also eligible but is ill at St. Patrick's hospital.

Just a Little

Happy Bull

The Boy Friend

Says that women wouldn't be half so hard to figure out if they didn't make a deliberate effort to be "misunderstood."

Particular Pet Peeves

1. This here "spring" weather.
2. The girl who keeps you waiting half an hour while she dresses for the prom date.
3. The Snyder-Gray murder trial.
4. The brother who borrows new razors.
5. Skirt-lengths, the shortness of them!
6. The prof who won't let your dawg go to class with you.
7. The bus schedule.

Our Girl

Knows that the great big cow next door could never give condensed milk.

Life's Niceties

- (No apologies to The Missoulian)
1. When a fraternity brother cuts your dating average with "the" girl, what is the proper procedure?
 2. Should one ask the permission of the hostess before spiking the punch?
 3. If you spill coffee (or what have you) on the dress of your fair neighbor, and she seems very upset, what should you actually say to ease her anguish?

ANSWERS

1. Slow murder.
2. Don't be a fool.
3. "That's all right, I didn't want it anyhow."

Law School Receives Books Costing \$200

Montana's Law school recently received the first installment of the new "U. S. Code," which is a re-compilation of the old Revised Statutes and the subsequent Statutes at Large of a general and permanent nature which have been passed during the last 50 years.

The new code is under an entirely new arrangement of titles, topics and sections. This necessitated the preparation of the new annotated edition of the code.

The books received in the first installment of the new U. S. Code Annotated consist of six volumes. The set cost \$200.

DELTA PSI KAPPA ELECTS OFFICERS

Delta Phi Kappa, national physical education fraternity, elected new officers last Wednesday. Miss Ann Kramer was elected president, succeeding Betty Peterson. Jura Gerdica was elected corresponding secretary and Gertrude Fibo, secretary treasurer. The present number of members is 14.

ATHLETES OUT TO SET RECORDS

Many Present Title Holders to Be Seen in Action at 23rd Annual Meet

Many records may be expected to fall in the track meet this coming week. Record breakers of last year who are returning are Moore of Phillipsburg, and Poppie of Florence-Carlton hung up a javelin record of 108 feet, 2 1/4 inches. Parks has graduated but the other two are returning. Moore may be expected to repeat, according to reports, and Poppie is also in fine form.

New records may be set in the 220 and 440, but it is hardly probable any one will touch the half mile, shot put, and broad jump. The hurdle marks may be lowered according to pre-season dope. The track here is exceptionally fast and the athletes may go wild again as they did last year.

Moore is the only sprint man of last year's point winners to return. All the 220 men graduated, quarter milers were hard hit by the loss of Renn of Hamilton, Harrington of Butte Central, and Woodworth of Stevensville. Half milers this year will be all new men. In the mile, Watson of Helena looks like first money although he was hard pressed last year to win in 4:44.6. Chapman of Butte is returning. He placed last year in the 220 low hurdles. Page of Granite hopes to set a new record in the shot put though his winning heave last year of 44 feet 6 inches was far short of Blumenthal's record. Jacobson of Missoula looks like a high place in the broad jump. Yerkes of Loyola looks like a cinch to place in the sprints.

Butte Central will not compete this year for the first time since 1915 and Butte high has not been turning in exceptional time. It is conceded that the championship will be closely fought and there are chances that Butte and Missoula will fight it out again with Anaconda having an excellent chance.

Up to press time 103 schools had registered and indications are that there will be a record attendance. Friday evening should see all schools registered as Wednesday was the last day for registrations to be mailed.

The interscholastic meet is of growing importance and is the biggest thing on the calendar here. It is the largest event of its kind west of the Mississippi, excelled only by the national meet at Chicago. It is the only event which gives individual reward.

Lectures open to everyone are featured by the Physics department every Thursday at 3 o'clock in the Science building. This week's speaker was Conrad Fai k, a senior at the University. He spoke on the "Theory of Relativity as Explained by Analogies."

NOTICES

There will be a review at the track meet on Friday, April 13. Men will report on the drill field at 1:40 p. m. with their rifles and in uniform. Blouses are to be worn.

ROTC cadets who have turned in their names for guard duty during track meet will report to the ROTC headquarters at 12:30 on both Thursday and Friday.

Sophomores in ROTC who are desirous of taking the advanced course will please see Captain Caulkins within the next two or three weeks.

All organizations and fraternities please pay Sentinel bills at once. Checks for Dorian studios may be sent to the Sentinel office.

BOB NOFSINGER.

A business meeting of the Pharmacy club will be held this afternoon at three o'clock, to determine where the annual picnic will be held next Sunday.

International club meeting will be held tonight at 8:30 at the home of Mr. Young.

Students who have not paid their activity fee for three quarters must pay one dollar for each quarter they missed, in order to obtain a Sentinel. There are only 1,300 Sentinels being printed, so you had better attend to this at once.

RUTH NICKY, Circulation Manager.

PHI SIGMA—The initiation banquet will be held at 6:30, Tuesday, May 10, at the Florence. Members who desire to attend please sign on the bulletin board in Natural Science building.

J. DARLINGTON, Sec'y.

NEW ASUM OFFICERS TAKE OFFICE OATH

Installation of new ASUM officers, speeches and yells featured last night's SOS. In spite of a slow drizzle, the old faithfuls turned out. Jimmy Higgins, new yell king, opened with a few yells. Burr Smith, retiring president of ASUM, presented old and new officers, and gave the new officers the oath of office. Thomas, Dahlberg, Mackenzie and Higgins showed up, Jimmy Morrow and Elsie Blair being out of town. This is the first time officers have been sworn into office.

Arnie Gillette and Coach Jim Stewart each gave a short speech. Students were urged to turn out for the Montana-Idaho track meet Saturday. "College Chums" closed the meeting.

Dr. Clapp to Speak

Dr. Clapp will speak to the Orchard Homes Country Life club on "Petroleum in Montana," at a meeting of the club this evening.

On the Campus

Prof. Dorr Skeels of the Forestry School has returned to his classes after three days' illness.

Dick Wellcome, a senior in the Law School, is leaving by auto for Butte this evening.

Bob Warden, Wilfred Fehlhaber and "Shorty" Pierson returned Tuesday night from Seattle, where they attended the University of Washington relay carnival. They made the trip by auto.

Milton Frazer of Havre, who has been attending the University of California, was a dinner guest of Worth Clack and Arthur Reynolds at the Phi Sigma Kappa house Thursday.

Hyle Crawford visited Olga Hammer at North hall over the week-end. Ella Mars was a dinner guest of Thelma Reeman at North hall Wednesday.

Georgia Broderick is confined in the infirmary at North hall recuperating from a slight attack of influenza. Helen Castle was a Sunday dinner guest of Edna Tait at North hall.

Adeline Davis has returned to her home in Great Falls after attending the University a short period.

Sigma Kappa pledges were dinner

guests at the Sigma Kappa house Thursday evening.

Marguerite Hughes was a dinner guest of Grace Thompson Wednesday at North hall.

Phyllis Ulmer is visiting her grandmother at Garrison for a few days.

Jean Wigal was a dinner guest of Janet Hobbs at Corbin hall Wednesday.

Mrs. L. Schreder was a guest at Corbin hall of Elsie Hickman Wednesday.

Jessie Cambron was a dinner guest of Mary Elliott at Corbin hall Thursday.

Nettie Porter spent last week-end visiting her family in Stevensville. Gertrude Maloney is entertaining at a luncheon for Gertrude Gould of Moscow, Idaho, Saturday at her home in the University apartments. Miss

Gould arrived in Missoula today to spend the week-end.

Mr. and Mrs. H. P. West of Bozeman will arrive in Missoula Saturday morning and will spend the week-end visiting their daughter, Isabelle.

Christine Lind spent last week-end at her home in Butte.

Seniors to Receive Alumnus

Seniors who are about to become alumni will receive copies of the fourth volume of the Montana Alumnus, which will be off press today. This issue of the Alumnus contains complete information about commencement, summer session, athletic reviews and general news. Carl McFarland is editor of the Alumnus, and Winnifred Feighner, assistant librarian, is editor of class notes.

Any industrial worker who moves things by hand is doing work that Electricity can do for about 2 cents an hour

More than 60 per cent of the mechanical power used by American industry is applied through electric motors. But the electrification of the tasks performed by man power has hardly begun. Electric power not only saves dollars; it conserves human energy for better purposes and raises standards of living. College men and women may well consider how electricity can lessen the burdens of industry and of farm and home life.

You will find this monogram on all kinds of electric equipment. It is a symbol of quality and mark of service.

GENERAL ELECTRIC COMPANY, SCHENECTADY, NEW YORK

VANDALS TO INVADE GRIZZLY LAIR WITH MANY POINT WINNING ENTRIES

SATURDAY'S MEET PROMISES PLENTY EXCITEMENT FOR ALL

Montana Has Taken Five Out of Nine Dual Meet With Idaho

BY FRANK B. WILSON

"About three points will separate the winner from the loser in the Idaho-Montana meet here Saturday," says Coach Jim Stewart. "This will be one of the best and most exciting meets ever held here."

Idaho university will come here with a strong squad of about twenty men, most of them veterans. The Vandals are strong in the field events and are conceded most of the points there. They have some very clever tracksters who will push Montana entries.

Clayton Pickett, Idaho port-side, who gained 16 points for Idaho at last year's meet, will be back this year. Last year he won the high jump with a leap of 5 feet 8 inches. He is reported to be able to make 6 feet if pressed. He also copied the discus throw with a heave of 134 feet 9 1/2 inches, bettering Blumenthal by 20 feet. He placed second in both the shot put and javelin. The lanky Idaho athlete was beaten in these two events by the final tries of the Montana entries. Blumenthal's last heave was eight inches better than that of Pickett, the Montana entry getting a distance of 41 feet 7 1/2 inches. Bessey also beat the Vandal star when his last throw went for 175 feet 1 inch.

The Vandals have a capable broad jumper who won the event last year with a leap of 21 feet 10 1/2 inches. He will be back to defend his mark. They have two exceptional pole vaulters that are capable of making 12 feet and another good weight man that will assist Pickett.

Idaho's track material will push the Montana runners. Perrin, Davidson and Thompson are all good sprinters. When at his best, Perrin is able to get under 10 seconds. Thompson placed next to call in the meet last year. Nothing is known about their 440 material. The Vandals have three exceptionally good hurdlers in Mitchell, Thompson and Powers. Mitchell placed second in the low hurdles here last year and last week-end he was beating Clarence Spaulding in the special high hurdles event at the Washington relay carnival when he stumbled at the last hurdle. He is just as

good a hurdler as Spaulding and is a dangerous entry in the stick events. Gehrke, one of the best half-milers on the coast, placed second in the half-mile here last spring and is much better this year. Cleaver and Mathews are two exceptional distance runners. Cleaver placed second in the mile, being beaten by Gillette. Mathews led the two-milers for four laps but the two Montana runners passed him on the fifth and he was forced to drop out at the end of the seventh lap.

The Montana squad has been hampered by cold weather and physical injuries. About all that could happen to a track squad in one year has happened to Montana this season. John Rankin, an exceptional low hurdler, has "water on the knee" and is lost to the squad, he being number 20 to join the casualty list.

The probable Montana entries for Saturday's meet are:

Coyle, Tom Davis and Sam Kain will enter the 100-yard dash. Coyle has been clocked at 9.9 while the other two entries are 10-second men. Clarence Coyle, Claude Samples, and Sam Kain will be the 220 entries; Spaulding and Varney, high hurdles. Spaulding has been clocked at 15.5 seconds. In the low hurdles will be Clarence Spaulding, Clarence Coyle and Elmer Haines. Coyle won this event last year. The 440 entries are Dick Davis, Tom Davis, and Dick Staunton. Half-milers are Adams and Merle Haines, and Carl Tysel. In the mile, Arnie Gillette, Kenneth Davis and Carl Tysel. Gillette, Steve Hanson, and Lawrence Gaughan will run the two-mile. Gillette will run only one of the races fast, acting as a pacer in the other event.

Jake Miller and Clarence Coyle are the pole vault entries. Clarence will enter this event off-hand as he hasn't practiced vaulting this spring. In the high jump will be Baker, Mowatt, Eritsch, Tom Davis, and possibly Krough. The broad jump entries are Miller, Huber, Kain, and Bessey. In the shot put will be Whitcomb and Harmon while Shults and Harmon will enter the discus event. The javelin throwers are Bessey, Pearce, and L. Wendt. The relay entries are Robinson, Garlington, Snow, R. Davis, T. Duvos, and Staunton. The meet will start at 2 o'clock.

Montana has won five out of nine dual meets with Idaho.

Inter-College Ball Series Game Today

Inter-college baseball began this week with the Lawyers handing a trimming to the Business men Thursday, the score being 12 to 5.

Today at 4 o'clock the Journalism School will meet the Arts and Sciences. Saturday morning the Forestry School will meet the School of Pharmacy, at 10 o'clock. That afternoon the Lawyers will play the winner of Friday's game. Next Thursday at 10 o'clock the winner of Saturday morning's game will play the winner of the afternoon game.

Next Monday afternoon Company A will play Company B in the inter-company series.

MONTANA LOSES TO IDAHO WHEN VANDAL PLAYER SCORES HIT

Idaho won a 10-inning game from Montana Wednesday at Moscow, the score being 3 to 4. Erickson, pitcher for the Vandals, bunted, causing a squeeze play that enabled Simons, Vandal outfielder, to score, giving Idaho the victory.

Both teams showed good form and knowledge of the game. Rafferty, pitcher for Montana, hurled the sphere better than he has so far this season. Erickson also proved his skill during the game.

After the games with Idaho, the Grizzlies will go to Washington State where they will play two games May 6 and 7. Although Washington has only three lettermen back from last year a strong team has been developed which has won several games this season.

Montana dropped the second game of the series with Idaho yesterday by a score of 7 to 4. The Vandals utilized seven errors in the third and fifth innings to send five men home. Rafferty, Drew and Kelly scored for Montana. Brown pitched the game.

SIGMA ALPHA IOTA TO GIVE RECITAL

Sigma Iota chapter of Sigma Alpha Iota, national music fraternity, held a business meeting and a recital at the Music studio in Main hall, Thursday at 8:15 o'clock.

Officers were elected, the new ones being Mary Shope, Missoula, president; Mildred Steick, Missoula, vice-president; Florence Merigold, Kalispell, secretary; Vivian Lewis, Crow Agency, treasurer, and Ernest Malvern, Billings, chaplain. Plans were made for a formal recital to be given by the chapter sometime near the end of the quarter.

The audience which gathered at Main hall heard an interesting recital.

COMPANY A LEADS ROTC BALL LEAGUE; MORE GAMES SCHEDULED

Having won two games out of two starts, Company A now leads in inter-company baseball. Company C has won one and lost one and Company B has its first game to win. The remaining games scheduled are: Company A vs. Company C, 5 o'clock May 10; Company B vs. Company C, 5 o'clock May 11; Company A vs. Company B, 11 o'clock May 12; Company A vs. Company C, 11 o'clock May 13; Company B vs. Company C, 5 o'clock May 14.

GEOLOGY MAJORS PLAN EXTENSIVE FIELD TRIP

Majors in the Geology department who are members of the Field Geology class are planning an extensive field trip for next week.

The students will be gone from Wednesday until Sunday. The trip will be made to Drummond in cars and from there the class will go to Bearmouth and work back to Drummond. The region between these two towns is very good for historical and structural geology as it contains many paleozoic and mesozoic areas. During the course of their work the geologists will map the region. About 15 persons expect to make this trip.

INTER-COMPANY DRILL CONTESTS TO BE MAY 16

Inter-company drill contests will be held Monday after track meet. There will be contests between the companies themselves, between platoons and between squads. Officers from Fort Missoula will select the best freshman drill center.

The final event of the day will be an inter-company track meet. There will be the usual dashes and field events. The competition between companies is very keen and a lively meet is expected.

Tennis Tournament Today

The second round of the tennis tournament, held by the women's tennis classes, should be completed by today, according to Miss Laux. A new broad and high jumper net has been completed for the girls' gym classes.

Almost 500 Students Enter Annual Interscholastic Meet Next Week

Committee Offers Prizes of \$20 Each for Best Fraternity and Sorority House Decorations

Montana's largest high school track meet will open next Wednesday with 114 schools entered, aggregating almost 500 contestants. This number breaks all previous records.

Anaconda has the largest number of entries with 16 contestants entering in 48 events. Gallatin county high has 12 men entering in all events.

Work is progressing rapidly on the archway over the oval. It is to be completed next week before the Interscholastic meet. Decorations are going to be a little more elaborate this year, according to Boynton Paige, a member of the Interscholastic committee. Flags are to be placed on the

bleachers and the "M" light on Main hall is to be finished next week.

It is apparent that a great deal of interest is being shown by the sororities and fraternities in competing for the two prizes of \$20 each, being offered by the Interscholastic committee for the best decorated house during Interscholastic week. This year two prizes are being offered, one to a sorority and the other to a fraternity. Last year Alpha Tau Omega and Sigma Phi Epsilon tied for first place.

The Bear Paws and Tanans will meet all trains and escort the contestants to private houses and University halls.

Ten Montana Men Qualify as Possible Stars for Pictures

"Montana University has presented as desirable types as any we have visited. In fact, I would rank it among the first three," said Ned Holmes in answer to how Montana men compared with those of the other 33 colleges included in the tour of First National Pictures and College Humor.

Director Holmes and his party, Mel Burns and Ned Connors, makeup man and camera man respectively, arrived in Missoula Tuesday noon. Their reason for coming to Montana, although it is the smallest university they have been to, is to get rugged, outdoor types.

"Bud" Dill, "Bob" Tierman, Rowe Morrell, "Bud" Ellis, Charles B. Coleman, William Belandier, Edith Reader, Bill Kelly, Ed Chinske and Jake Miller were chosen for screen tests.

Screen tests are being made at 23 colleges in America from Harvard, in the extreme east, to the University of Southern California. Ten men are chosen at each university and from the 330 Mr. McCormick will select 10 who will be given an eight-week opportunity trial, this summer, with the understanding that should they prove to have screen personality they will be offered a regular contract.

"Head away over to the right, turn slowly to the left, back to the right, smile, back again more quickly, what time do you think it is?" This, mingled with "Show the old eye-teeth," cries of "Hi, chief, we're ready," filled

Miss Laux to Speak

Miss Mary Laux will speak at the Girls' Vocational conference today at the Flathead county high school, Kalispell. Her subjects will be "Physical Education" and "College Opportunities." Miss Laux left Missoula Friday morning and will be back Sunday.

Young Men's Graduating Suits of the Class of '27

You've worked hard for that diploma and you deserve the best suit in Missoula—and you don't want one that graduated in 1926.

That's the main reason you should depend on the M. M. Co.—for these models are as up to date as the numerals on your sweater.

Blues and darker tones done in 3 button college and school models.

We have the accessories too—but mainly we have the suit you want at your price—you won't have to slacken in your ideas.

FROSH TEAM SHOWS CLASS

Freshman athletics have enjoyed one of the greatest years in the history of the school. Promising men are numerous and many of the 1927-28 yearlings will hold a prominent place on the roll of future Varsity squads.

Frosh football under Coach Harry Adams was successful in every way. To begin the season eight all-state men answered the call immediately after the fall quarter started, and with them many men of lesser renown but unlimited ability began work.

Scrimmage with the Varsity was held every week. The opening game was played against Missoula high and resulted in an easy victory for the Cubs.

The second game brought the Cougar Kittens here from Washington State college. W.S.C. presented a fine array of men. A large line and a fast backfield succeeded in downing Montana's freshmen after being held to a 7-0 score until late in the game.

The annual clash with the future hopes of Montana State was next in line. A pass from McFarland to Renn gave the State frosh the edge and the score sheet gave the Bobkittens the game. Several times during the play the Cubs threatened to score but each time failed to have the sufficient punch.

The next game was played at Moscow with Idaho's freshmen. The Idaho field looked like the Dead Sea and after lots of mud and several runs by Kerchisnick, huge Idaho fullback, the Vandal babes left the Cubs as runnersup for the contest. Idaho had a huge team and with a heavy backfield, and their 230-pound fullback scored a clear victory. Hori, fleet Cub back, broke away to run 60 yards for Montana's only touchdown. Numerals were awarded to 18 men. Keyes, Currie, Golob, Rule, and Brannon, ends; D. Hughes, Forcum, Blackford, and E. Hughes, tackles; Clark, Schotte, Smith, and Gillan, guards; Ryan and Clark, centers, and Linville, Ramer, and Webster, backs, received sweaters with the numerals as a reward for their efforts. Caruso, tackle; Hori, Ekegren, Bessey, and Rice, backs, all earned numerals but failed to return to school for the winter quarter. Frosh basketball practice started before the end of the fall quarter under the coaching of Force Baney.

Coach Harry Adams and a great team was developed.

"Bud" Linville, former Billings star, led the array of promising basketball players. Henry Miller of Helena played the other forward. Ted Rule, Deer Lodge product, jumped at center. Guards were plentiful with Doherty, Mitchell, Wilson, Rankin, Robinson and Gillan. Brooke Ricker of Helena broke an ankle early in the season and was forced to quit. Stillings and Wendt, forwards, and Buckley, promising center, played fine games throughout the season.

Freshman track has brought forth some of the greatest prospects yet to be uncovered in Montana. In the triangular meet with Missoula high and Loyola the Cub cinder and field artists took everything but the gym.

Woodworth of the Cubs was high man for the day with 21 points. Stevingson was second high man.

The frosh squad is well balanced. Keyes, Thomas and Riener in the 440; Woodworth, Stevingson and Keyes in the sprints; Priest, Fisher, Stevingson and Woodworth in the hurdles; Parks and Burke in the pole vault; White in the high jump; Spencer, Middlestead and Gillan in the weights. Nelson, holder of the state high jump record and former Bobcat man; Hill, former Idaho sprinter; Perry, high jumper and weight man, are all working out although ineligible for Varsity and are more than freshmen. Distance men are: Curtis, Brannon and Baldwin.

Baseball under Bill Rafferty, Varsity pitcher, is attended by many freshman candidates. One game has been played with the second Varsity team, the freshmen losing 15 to 17. Another game will be played tonight.

Those who are now coming out regularly are: Wilson, W. Ekegren, Powell, Lee, Tippet, Ager, Collinson, Robinson, McNair, Briscoe, Aiton, Ramer and a few others.

SILVERNALE '23 FOOTBALL CAPTAIN TO LIVE HERE

Roger Silvernale, 24, Grizzly football captain in '23, has resigned his position with a drug firm at Great Falls and will come to Missoula with Mrs. Silvernale, where he will open up a new firm with E. K. Stewart and B. E. Mithun.

The Verve and Go of The Athletic Miss Are Accentuated in These Nemo-flex Sports Foundations

Of course they look charming—and how utterly at ease! But then, you say, who couldn't be perfectly comfortable in free and easy sportswear? But with these young ladies' delightful ease and freedom is not confined to walking or sports clothes. No matter what activity they may partake of this same comfort and graceful carriage is theirs.

The secret of their charming appearance and buoyant air is

Nemo-flex

More slender silhouettes are achieved by Nemo-flex Foundation Garments, while at the same time, the wearer is afforded just the amount of restraint which young figures require.

The J-351, for instance, is made entirely of soft chamollette to mold the body, yet allow complete freedom of movement for athletics. This is priced at \$3.50.

For evening wear, you'll want the J-505. It's made of beautiful rayon silk and is indeed a fitting companion to your lovely dance frock. This is \$5.00.
